## The Sewickley Show

A Display of Exceptional Automobiles

SATURDAY, AUGUST 11, 2018

BROAD STREET | SEWICKLEY

### Sewickley Show Has 'Added Bonus' Incentive for Registered Jaguar Owners

By Chuck Pipich

The Sewickley Show is coming very soon upon us... **Saturday, August 11, 2018.** See the details and registration form on pages 9-10. This is a reminder to everyone to be sure not to miss this great annual show. Though drive up registrations are accepted, advance registration makes things a LOT easier, otherwise it gets very difficult for the committee to plan the layout, classes, & know how many trophies and plaques to order. Plus, drive-ups are limited to the "display only" category. Judged entries MUST be pre-registered. So please go ahead and mail in your registration as soon as possible. Call or e-mail if needed. Thanks to all in advance!

PLUS! There will be a SPECIAL ADDED BONUS! ... one NOT done before ... a special bonus item will be given to the owner of every Jaguar registered in this year's show. This will be for as long as supplies last. There will be a level of choice, which will be based on the order of receipt of mailed in registration, per US postmark. Bring 2 Jaguars, get two bonuses. This take home bonus is a classic, will never again be duplicated, and IS something special. It is separate from, and in addition to the goodies that Bobby Rahal Jaguar will be donating.

The same as last year, the show will be on the main section of Broad Street in Sewickley, blocked off so our Jaguars are "safe"

from daily traffic. There is a 50-car registration limit, and the whole show is like a street party with all friends and their favorite cars around to look at/swap car stories/catch up with the neat stuff everyone else is doing with their cars. Bobby Rahal Jaguar will also be supporting us by bringing two new Jaguars for you to look at up close, with two of their people who will casually chat about the cars. It promises to be an exciting day with a lot to see and talk about, plus plenty of quaint shops for the ladies to browse, since the venue is in the main business district of Sewickley. I can highly recommend the Sewickley Hotel (a restaurant/bar) for lunch.

We have quite a number of guest club registrations so far, so the field absolutely will be interesting ... HOWEVER ... we VERY MUCH NEED club Jaguar Registrations to come in. We are short on Jaguars and need your help! So please support your club events, and go home with an extra bonus, in addition to the usual amenities and door prizes courtesy of our sponsor, Bobby Rahal Jaguar.

If anyone has questions, I can be reached as follows: Chuck Pipich, Chairman, JCOP Sewickley Show 412-373-7090 or [chuckp212@gmail.com](mailto:chuckp212@gmail.com)

## From My Perspective

### By Cecile Canales, President

Ah, summer! Amidst summer's sweet smell of family cookouts, unforgettable parties, and summer naps under cool shady trees, July is the perfect month to enjoy many car events. Everyone seems always to look forward to the Pittsburgh Vintage Grand Prix, this year from July 6-15 which includes: the PVGP Historics at the Pittsburgh International Race Complex in Beaver, PA July 6-8 weekend; the Invitational Car Show on Walnut Street Monday, July 9; the Waterfront Car Cruise, Tuesday, July 10; the Grand Prix Tune-Up at the North Shore, Wednesday, July 11; and of course, Schenley Park British Car Days and Races, Saturday and Sunday, July 14-15. There is so much that happens during PVGP week, so visit their web page <http://www.pvgp.org/calendar/> to be informed. More information can be found on page 6.

Other events you can enjoy this summer include the Jaguar Club of Ohio's Concours and European Car Show August 4 at Ursuline College in Pepper Pike, Ohio, and Linden Hall's car cruises, patio parties and entertainment from 5-8:30 pm Friday, August 3. There are many car events this month to which you can drive in your Jag.

Last month JCOP members had a wonderful Drive, Dinner and Show Sunday, June 24. JCOP members drove through Laurel Highlands, had lunch at Green Gables restaurant, and watched the matinee of Life Can Be a Dream at the Mountain Playhouse in Jennerstown, PA. Thank you, Scott Drab for organizing this event.

Remember you can read past issues of the Jargon by going to our website [www.jaguarclubofpittsburgh.com](http://www.jaguarclubofpittsburgh.com) and clicking on Jargon Archives in the Navigation Menu in the left margin or going directly to <https://jargonarchives.wixsite.com/issues>.

Another reminder is that you can purchase men and women's clothing at Lands' End with the JCOP logo in various color combinations. Go to <https://business.landsend.com/> create an account, choose a logo and enter reference number 1520832 and customer number 6929897. Select your desired clothing, apply the logo, and voilà!

Save the date for the 3rd annual Alleys, Axles and Ales Tour to be held Saturday, September 29 from 11 a.m. to 5 p.m. Sample local craft beers on a self-guided tour of the back streets and garages of Allegheny West on Pittsburgh's North Shore. Before the tour, display your Jaguar for Cars 'n Coffee. The Pittsburgh Concours of Jaguars will be held in conjunction with the tour. If you plan to attend, please be invited to my house for a light lunch before the tour. More information can be found on pages 13-14.

Each month I feature a JCOP member and the history of their Jaguar. I wish to showcase a car that I find very impressive and interesting. This month's feature is about Jan and Tom Felts and their 1966 XKE Jaguar.

Jan and Tom purchased their 1966 XKE Jaguar in 1990. Jan saw an ad in a local Sarver newspaper for the car. They were both very excited since it was the exact year of their first Jag years ago. Tom called the owner and found out that someone had made an offer on it the day before.

*Continued on Page 4*

## **From My Perspective**

**By Cecile Canales, President**

*Continued from Page 3*

Still hoping to acquire it, Tom asked if they could come look at it anyways. The car was in an old barn covered with bird poop, rats nests, and other things. Everything was there, including the original tool bag, tools (except the 4" wrench), and the original jack.

Tom and Jan really wanted this car. Tom offered the owner \$500 over the original offer. The owner called the person who had made the first offer. He was upset thinking she was trying to get more money out of him. After hanging up the phone, the owner said to Tom, "I hope you were not kidding me because I just lost the other buyer." Needless to say, they were not kidding. The next morning Tom had a flatbed at the barn and hauled out the car.

**The Jag comes home from the barn.**

Tom and Jan had just transferred from the state of Indiana with Alcoa and were living in a rental. Fortunately, there was a garage. Thus began about 4 years of restoration and \$++. It was a labor of love. The car was originally carmine red, but since their first car was cream, they wanted to have a clone of their first car. Tom and Jan have been driving the Jag as often as they can ever since. They have taken trips to the coast of Maine, Virginia Beach, through the mountains of Virginia, and many trips in the Laurel mountains. The car is an excellent driver and a definite keeper.

As we all know, there comes a time when things go bad and need to be replaced. Such was the rear end gears a few years back which, of course, required the dropping of the independent rear suspension. With a little help of fellow Jag Club members, Jack Terrick and Dave Murray, and friend, Dick Gaier, from the Healey group, they had it out in no time. A rebuilt rear end and IRS were reinstalled. Also, the front frame rails, picture frame and floor were replaced and the car was repainted. A few years ago Tom installed a Tremec JT5 5 speed tranny. This has transformed the car to a real road cruiser and they love it!

Early on shortly after buying the car, Tom and Jan had the misfortune to have contracted a con-man to restore the car. It took them several months to catch on to his sham and move the car out of his shop. A special thanks goes to club member, George Yonker, who did an outstanding job of body work and paint. He basically rescued them from previous bad work and put them on the path to a safe and solid driver.

Tom and Jan drive the car frequently and do not baby her. They run it hard, but take good care of her maintenance wise. Interesting, Jan refuses to ride without the top down, cold or hot and sometimes in the rain, if they go fast enough.

**Dominic and Shelby checking out the Jag**

**Another special member  
of the Felts Family, Scout!**

Tom and Jan live in Murrysville, PA and have a daughter, Tanya, and 12-year old twin grandchildren, Dominic and Shelby, the light of their lives. (at left) They are already linked in to Brit-car talk and love riding in the Jag. Other cars in Tom and Jan's garage are an Austin Healey 3000 and a Triumph Spitfire. The Jag, of course, remains their favorite.

Tom and Jan have been members of the Pittsburgh Jaguar Club for a number of years and are dedicated participants in the PVGP. So far, they have not held office in the club. One of the reasons is that early on Tom was president of the local Austin Healey club and didn't have the time to do both. Tom is available at any time to assist in any way to keep the club an active and interesting one. Those who run it are to be commended for how professional it is.

Thank you, Tom, for your story about your car and the kind comments about club members.

In my reflections next month look forward to a feature showcasing JCOP member, Bob Frisch.

All stories are adapted from information written by each car owners.

## It's Race Week at the Pittsburgh Vintage Grand Prix!

**By Candy Williams**

The annual motorsport mania that takes place during the 10-day Pittsburgh Vintage Grand Prix is back again, offering a variety of events for car enthusiasts of all sorts. While it's not a club event, Jaguar Club of Pittsburgh members always turn out to support the events that raise funds for PVGP's two charities: the Pittsburgh Autism Society and Merakay Allegheny Valley School.

JCOP's Don Johnson was volunteering at the track July 6-8 at the 15th annual PVGP Historics races at Pittsburgh International Race Complex in Wampum. At the Shadyside Invitational Car Show July 9 on Walnut Street, JCOP was well represented by both participants and spectators.

The July 10 Waterfront Car Cruise set an all-time record for its number of cars, drawing more than 600 classic, antique and exotics in all makes and models to the Homestead shopping area. JCOP's Don Johnson, Bryan Williams, Dick and Rosemary Bishop, and Fred Segal were enjoying the cars.

Schenley Park Race Weekend will be held **July 14-15** at Schenley Park in Oakland. Saturday's events from 9:30 a.m. to 5 p.m. include an International Car Show featuring classic, antique and exotic vehicles — and British Car Day — on the Bob O'Connor Golf Course. Vintage racers will compete in qualifying races and there will be a food courtyard and vendor village. Sunday's events on July 15 from 8:30 to 5 p.m. will feature vintage racing and car shows all day long, with warm-up and practice laps, 11 a.m. opening ceremonies and six featured vintage races. BMW is the marquee of the year.

## SPRING/SUMMER CAR CARE TIPS

**JAGUAR**

Wexford, PA  
724.940.3500  
[bobbyrahajaguar.com](http://bobbyrahajaguar.com)

- 1. Change your oil and oil filter.** Changing your oil and oil filter at the intervals recommended in your vehicle's owner's manual is one of the best ways to keep the engine running trouble free. Neglecting to replace engine oil can result in poor engine performance.
- 2. Check your fluids.** When you change your oil and oil filter, you should also check your fluids. Check your power steering, brake, transmission and windshield washer fluids, as well as your coolant. If the levels are low, top them off and flush/replace them as recommended in your owner's manual.
- 3. Replace your wiper blades.** If they're torn or cracked, your wiper blades won't do much good in the middle of unrelenting spring showers, when visibility is reduced.
- 4. Check your charging system.** Cold temperatures can do a number on your battery, so now is a good time to have it tested. You should also check to make sure that your battery is securely mounted and that the connections are clean, tight, and corrosion free.
- 5. Fix your windshield.** In cities where sand and rocks are used on icy roads, motorists often end up with chips and cracks in their windshields. Any damage to your windshield can decrease the overall effectiveness of airbags, seatbelts, roof stability, and your personal safety in the event of an accident.
- 6. Check your lighting.** Check all exterior and interior lighting to identify any problems.
- 7. Lubricate your chassis parts.** Many newer cars are "lubed-for-life," but some still require regular chassis lubrication, so check your owner's manual.
- 8. Check your belts and hoses.** Cold temperatures can harden and/or damage rubber, so it's important to check your belts and hoses for damage. If you have to replace one of your belts, you may also have to replace the tensioner and pulleys to keep the new belt from slipping.
- 9. Check your filters.** Your car has a number of filters that are important to its longevity and should be replaced regularly. Check your engine air filter, your cabin air filter, and your fuel filter for damage or clogging and replace them if necessary.
- 10. Check your tires.** Check the pressure of all your tires (including the spare) monthly and maintain the optimal pressure recommended in your owner's manual. Check the tread for uneven or irregular wear and for cuts or bruises on the sidewalls. Rotate your tires every 10,000 miles and replace them if they are worn or damaged.

# The Sewickley Show

A Display of Exceptional Automobiles

SATURDAY, AUGUST 11, 2018

BROAD STREET | SEWICKLEY

Sewickley is welcoming us once again to their quaint little business and shopping area. The Sewickley Show, The Annual Display of Exceptional Automobiles will be on **August 11, 2018** and once again, we're on **BROAD STREET BESIDE ALL THE UNIQUE SHOPS** that we have grown accustomed to in years past. Together with guests from the Rolls Royce Owners Club, Classic Car Club, and the "Italian Cortile", we will again have an exciting grouping, that will represent a breathtaking array of interesting marques. Jaguars! Rolls Royces! Bentleys! And other exotic Marques! ... as much fun as a "street party" with great cars to "shoot-the-breeze" about . . . lots of things to see and share among the car junkies in all of us! Also, we are very appreciative for the regular annual support from Bobby Rahal Jaguar, who has renewed their sponsorship for yet another year. They will also be displaying a couple of new Jaguars with two Bobby Rahal representatives. Bobby Rahal will also be supplying a gift package for door prizes, plus \$500 discount cards (towards a car purchase of any car, from any Pittsburgh Bobby Rahal store), and many thanks!

Register now - it surely will be another great event not be missed. As in past years, participants can choose to be in either of two categories, "Display Only" (not judged), or the "Judged" category. Though judging is not mandatory, it is conducted in a very casual fashion that is best described as "Concours-lite". It does NOT involve the demanding detail of a formal Concours, but has just enough to still be relaxed and simple. Due to the limited size of the venue, we are limited to 50 cars.

**WHEN:** Saturday, August 11th, 2018 rain or shine.

**TIME:** Check in 10:00 AM - 11:00 AM at the registration table.

Final cleaning 10:00 AM – 12:30 PM. Judging begins at 12:30 PM. Awards 3:00 PM

## SHOWING OPTIONS:

Category #1 -- Non-Judged. (Display only)

Category #2 -- Judging & eligible for a trophy according to categories based on registration. Classes will be mixed marques, generally grouped according "decades" (i.e, cars of the 20's, 30's, 40's, 50's, 60's, 70's, etc), with adjustments as necessary for unique cases. The usual informal judging format (not a formal Concours) will be used, and a maximum of three trophies will be awarded in each class.

Emphasis is on appearance, cleanliness, and fundamental originality (specifically, originality will be basic and informal, and NOT with excruciating detail).

**PEOPLE'S CHOICE AWARDS:** Three trophies (Jaguar, Rolls/ Bentley, and Other Makes) with the most votes will be awarded according to votes cast by the admiring public. Any registered entry is eligible to win, provided it has not won a 1st place People's Choice award in the last 2 years of this show. Both judged and display-only entries are eligible.

**REGISTRATION:** Registration fees are as noted below. All registrations must be received by August 10, 2018. Provided space is available, registration will be \$10 more on the day of the show. Please REGISTER EARLY, it helps determine classes in advance. Judged Category is ONLY available to advanced registration. Day of show entries can only be in the non-judged "display only" category. Registration is complete once your check & application are received in the mail, or via email scan of this form. Your registration packet etc. will be distributed the morning of the show, upon your arrival.
